

A picture-perfect postcard to get to know your new class!

As the summer term draws to an end, thoughts turn to your new class for September. How will you get to know them and discover what they got up to in the holidays?

Our picture-perfect postcard is a fun and meaningful activity for them over the school break that will also help you to find out a bit more about your new class. It can be given out ahead of the summer break and either posted back to your school address (children love a trip to the post box!) or brought back in the new school term. The children will love filling it in and sharing their adventures!

Come September, you have a lesson starter at the ready. Your class can use their postcard to write a recount or description of their holidays.

Happy holidays!
